Curtain time for all performances in the Little Theater is at 8:30 p.m. Tickets are available by calling the theater box office, 870-3371, from noon to 4 p.m. and after 6:30 on performance evenings.

The cast of local students and teachers attending the annual Summer Theater Workshop at Cal State is directed by Dr. Alvin J. Henry of Fullerton. Costumes were designed by Mrs. Bernadene Haas of Fullerton.

## Two Injured In Minor YL Accident

YORBA LINDA — In an accident at Yorba Linda Boulevard and Richfield, one driver and his passenger sustained minor injuries Sunday afternoon.

Theresa Elizabeth Lewellen 1531 La Palma, Anaheim, made a right turn from Richfield onto Yorba Linda Blvd., and her vehicle was struck in the rear by a truck driven by Stephen George Peterson, 1140 Glenview, Fullerton, traveling east on Yorba Linda Blvd., according to police. Peterson, attempting to avoid the car, aimed his truck to the right, grazed the Lewellen vehicle, and turned his truck into the shoulder where it overturned.

## Firemen Participate In Training Exercises

PLACENTIA — In a series of fires last week, Placentia Firemen cooperated in a mutual training exercise with several neighboring communities.

On Tuesday night sixty-four men, with equipment from Anaheim, Brea and Garden Grove put down fires in three of the fourteen houses scheduled for destruction. The clearing will make way for new homes and apartments in the Santa Fe Street area adjacent to Placentia Avenue. In that fire seven pumpers and one ladder truck were used.

On Wednesday night, in an unscheduled fire at two additional houses in the path of the development, Placentia firemen

Turbaned Hollywood columnist, Mary Knaus of Placentia, tells Ron Welch of Yorba Linda that "Once in a Lifetime," which opens Thursday (July 29) at California State College, Fullerton, is all about "talking pictures." Ticket information is available by calling 870-3371.

## Yorba Linda Library Trustees Adopt New 1971 Budget

YORBA LINDA — The board of Trustees of the Yorba Linda District Library has adopted a budget of \$155,374 for the Fiscal Year 1971-72.

There have been no across the board salary increases included in the amount budgeted, reports Mrs. Ted Citizen, district librarian. Addition of one page and one staff member later this year brings the budgeted amount for salaries and wages to \$93,712 compared with \$74,166 spent last year.

Due to the enlargement of the library building, increases are most noticeable in the utilities, from \$2,089 to an estimated \$7,000 for the coming year, and in the rents and leases category, from \$53 to \$5,176. This item mainly concerns maintenance and custodial care of the elevator and air conditioning system which were installed when the new three-

story addition was completed this year.

Funds used to purchase books and films which are listed under the heading of Special Department Expenses on the budget, are \$25,000 for the 71-72 year. Last year, the actual amount spent for these items was \$27,875.

## Machado Proposes Changes In New YL General Plan

YORBA LINDA — Proposed amendments to the Lampman general plan showing lower density community development was presented to the City Council and local citizens by Councilman George Machado last Tuesday evening.

The proposed plan shows an eventual population of 28,288 and features approximately 8,000 residential units with an average of 9.87 persons per acre. According to Machado, the plan substantiates the concept of low density being cheaper to taxpayers than high density.

No new high or medium high density regions were marked on maps illustrating the general plan. Land uses based on percentages of the city's acreage would be 82.1% for residential, 5.8% for commercial, professional and manufacturing, 3.3% for schools, 2.5% for trails and open spaces, and .9% for churches.

Machado feels the proposed plan is economically and environmentally sound. He is against over-building and a pressured environment. "Crowded conditions create problems," he said.

Information for the general plan was based on research conducted in 1969 by Lampman and associates, a planning firm. The Lampman survey of 250

## PUSD Prepares Report On Negotiation Progress

PLACENTIA — The Placentia Unified School District has prepared a summary of the proposals submitted by both the teachers and the board in regards to working conditions, policy and fringe benefits to show where differences and

agreements between the two groups lie.

Copies of the comparison are available from Board Representative John Tynes at the district education center upon request by patrons of the district.

At its regular meeting Monday evening the board tentatively agreed to meet on Saturday to interview representatives of architectural firms for employment as a second district architect because of the large number of building projects coming up.

The board also approved the employment of Tausch Insurance as the broker to handle the proposed \$600 fringe benefit package being offered to employees by the board.

## YL Planners Approve New Tract Map

YORBA LINDA — The Planning Commission agreed unanimously at Monday evening's meeting to approve a revised tract map when it is submitted to them by the G. L. Lewis Enterprises.

The revisions were requested in order to save a stand of eucalyptus trees on Bastanchury Avenue near Eureka. The land is a 9.7 acre "L" shaped parcel which will be divided into 31 lots.

Bastanchury is slated to be developed into a four-lane street divided by a median strip. The builder had mapped the tract to use the trees on the median, and created an entry into the tract off Bastanchury. This arrangement, as pointed out by the commissioners, would mean that some of the trees would be lost and would also create a slight curve in a primary street.

The commission, therefore, suggested that the main tract street, tentatively called Anderson Drive, be made into a cul-de-sac since there are other entrances to the tract. The trees would then be on the right side of the road backing the cul-de-sac.

## SCAG Approves Sewer Project For Atwood Area

PLACENTIA — The Southern California Association of Governments (SCAG) recently announced their approval of a \$258,000 request from the city of Placentia for a grant application to the Department of Housing and Urban Development for construction of a sanitary sewer system in the Atwood community.

Operating in its capacity as the metropolitan clearinghouse for

federal assistance programs, SCAG reviewed the application on the basis of its compliance with areawide coordination and comprehensive planning.

The total project consisting of approximately 17,000 lineal feet will provide service to areas presently using septic tanks, and will eliminate undesirable effects on the Santa Ana River ground water basin.

## Jaycees Will Circulate Opinion Questionnaire

The Placentia Jaycees announced that they are planning to conduct a community attitude survey in Placentia during August to determine residents attitudes in regards to a number of city, school, and tax funded services.

This survey will be the second conducted by the Jaycees in Placentia. In 1966, a similar survey was run with several positive results. A need for a local hospital was indicated by many residents at that time with the result that several groups proposed health care facilities in less than a year after the survey was completed.

The need for more parks was also indicated at that time with the resulting park

bond issue. The City has used the survey results in several areas. Our school district and other organizations have also had the opportunity to benefit from those results.

Now, in 1971, the Jaycees feel that with the many changes within the city and the rapid population growth the attitude of our residents should be re-evaluated.

## Park Dept Will Sponsor Beach Trip

A day of swimming and sunbathing at the Newport Dunes is being planned for Friday, July 30, by the Placentia Recreation Department.

The beach excursion annually attracts many young and old alike to our nearby county beach. Trip director, Don Brittingham, states that the excursion will leave Kraemer Park at 9 a.m. and return at 4 p.m. Persons, 6 years and older, are urged to sign up at the Recreation office, 117 North Main. Transportation and admission to the Dunes is \$1.75.

The Park features acres of beach on a quiet bay of Newport Harbor. All children will be under the watchful eyes of recreation supervisors. Parents are welcome to a relaxing day at the beach, too.

## Mrs. Snyder Hosts Group For Bridge Play Session

Mrs. Barbara Snyder, 2829 E. Standish, Anaheim, entertained The Group for three tables of bridge at her home Thursday evening, July 22.

Refreshing beverages and coffee were served during the evening accompanied by pastries that were baked by the hostess.

High score for the evening went to Barbara Snyder with Dorothy Fiddler second and Carole Gavel low. Two guests were invited for the play of cards, Janice Blurton of Fullerton

and Sandy Rowe of Placentia.

Regular members in attendance were: Ellie Brown; Angela de Jesus (known to The Group as the "card Shark"); Dottie Etheridge; Dorothy Fiddler; Carol Gavel, Jo Groth, Beverly Johnson, Gwen Ritchie, Alice Towles and hostess Barbara Snyder.

Members of The Group unable to attend were Helen Patton, who is recovering from major surgery and Claire Herr who was out of town.

Lt. Joseph Cable, played by Dan Rogers of Long Beach, and Liat, played by Susan Davis of Yorba Linda, feel the joy of their love as they listen to Bloody Mary, Liat's mother, portrayed by Rose Roselinsky of Fullerton, sing "Happy Talk." The Rogers and Hammerstein musical will be presented at the Fullerton Junior College Campus Theatre starting on Friday evening, July 30, at 8 p.m.

## FJC Drama Presents Musical 'South Pacific'

The Rogers and Hammerstein musical "South Pacific" opens in the Fullerton Junior College Campus Theatre July 30 at 8 p.m. and also plays the following evening, July 31, and again on August 5, 6, and 7.

The major plot involves Ensign Nellis Forbush, a Navy nurse in the South Pacific during World War II, and Emile de Becque, a French plantation owner who lives on the island where Nellis is stationed. Nellie, played by Vickie Saunders of Anaheim, and Emile, played by Patrick Campbell of Cypress, find love in the midst of the

pressures and duties of wartime.

The sub-plot concerns Bloody Mary, played by Rose Roselinsky of Fullerton, her daughter Liat, portrayed by Susan Davis of Yorba Linda, and Lt. Joseph Cable, played by Dan Rogers of Long Beach.

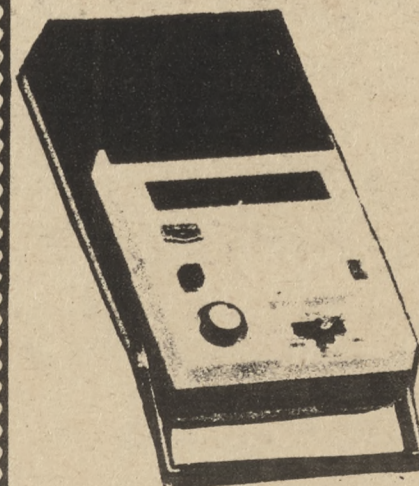

Just plain fun is had by cast and audience with numbers such as "There Is Nothin' Like A Dame" and the Thanksgiving Follies. During the Follies, Nellie and Luther Billis, played by Thomas Milne of Fullerton, team up for the show-stopping number, "Honey Bun."

## Health News . . .

### Bad Posture Curves Spine And Will Aid Disease

The strong and healthy condition of a giant spruce tree is proof that there was nothing seriously wrong with its environment when it was a sapling.

In the same way, healthy, robust men and women who stand straight and move freely are those who had a good posture habit during their growing years.

Dr. Donald Brinkley

Many trees as well as humans, however, are bent and misshapen. According to Dr. Donald Brinkley, of the Chiropractic Center, "it does not take

much to bend a body so that it will grow unnaturally. A young student in high school, in the habit of slumping, may spend as much as four hours a day sitting improperly — a lot of growing goes on during those hours. Then, at home, there is more slumping as he reads, watches TV, eats dinner.

"It is no surprise that spinal curvature is common among children," said Dr. Brinkley.

"Not enough emphasis is placed on proper posture, and the problems which later result are even worse than imagined."

Dr. Donald Brinkley is conducting weekly health lectures at his office at 626 E. Commonwealth,

Fullerton, on Tuesday Feb. 23rd. at 7:30 p.m. There is

no admission charge and the public is welcome.

Dr. Donald Brinkley is conducting weekly health lectures at his office at 626 E. Commonwealth, Fullerton, on Tuesday evening at 7:30 p.m. There is no admission charge and the public is welcome.

The curved spine means vertebrae are pressed close together in some places, rather than having the same amount of space all the way around the edge of each individual bone. This, of course, means that nerve trunks leaving the spine are pinched, and the organ, muscle or gland served by that vital nerve cannot get the normal flow of messages from the brain — this means it is wide open to malfunction or outright disease.

"Correct the causes of spinal curvature," stated Dr. Brinkley, "or if the curvature has already occurred, take steps to correct it with professional care."

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Mrs. James Collier and Mrs. Donald Pierotti, members of the Placentia Women's Club, with husbands Mr. Pierotti and Colonel Collier, chat with Broadway's Chairman, Mr. Philip M. Hawley (second from right) at the cocktail reception following the VIP "Hard Hat" tour of the Broadway Orange. This 160,000 sq. ft. three-level structure is the thirtieth unit in the firm's department store complex.

## Broadway Opens New Store As It Nears 75th Anniversary

Seventy-five years of serving the public was envisioned Monday night, July 19, when some 200 civic and community leaders gathered for a "pre-public walk through" of the Broadway's newest store. The newest edition of Broadway stores is located in the Orange Mall at 2500 Tustin Ave., Orange.

The walk-through was unique in that no merchandise was displayed. The store is putting the finishing touches to the giant complex. Noted was the color effects used in the carpeting and woods; the spaciousness of floor arrangements, and the eye appealing names of the various departments.

One enters Children's World; the beauty salon; the body forming department, no longer the foundation or

corset section; and the Regency room, or the Gourmet shop. Particularly noticed in the Regency section was the deep pile of the carpeting and the spacious dressing and fitting compartments.

The Broadway's 30 stores specialize in wedding planning and bridal wear and graciously give services in planning a complete nuptial outfit for brides.

Guides conducted small groups through the three floor building explaining many of the strategic placement of departments to best serve the buying public.

Following the tour, guests were served cocktails and buffet snacks in the quiet dignity of the Chafing Dish restaurant.

The store officially opens on August 16 to the general public.

## Anderson Named Works Inspector

Since then he has been active in both the private sector and public sector — most recently with a B & D pipeline.

He and his wife and their daughter live in Costa Mesa. His hobby is deep sea fishing and he has recently taken his skippers license examination from the Coast Guard.

Rialto director of Recreation and Parks, Jack Simonson, left to right, Mike Radcliffe, commissioner of recreation and parks, Roger Birdsall, chairman of commission, and Ralph Carter, councilman, are interested in Placentia's Recreation and Parks as Rialto begins to update its facilities.

## Crackdown On Bike Theft Announced

Placentia Police Chief N.A. Traub recently announced an all out attack against bicycle thefts and unsafe operation of bicycles.

A city ordinance requires that all bicycles must be registered and licensed by the Police Department. The fee is 25 cents and the license is permanent. Licenses are issued every Saturday between 10 a.m. and 2 p.m. at the Placentia Police Station, 120 South Bradford.

Traub stated that past requests for voluntary compliance have not been effective. During the twelve months of 1970, there were

256 bicycles reported stolen in the City of Placentia. For the first six months of 1971, we have had 263 bicycles stolen at a total value of \$9,926.00. Only a small percentage of these have been returned to their owners. If bicycles are not registered and licensed, we have no way of locating the owners.

Effective August 1, the Placentia Police Department will strictly enforce the bicycle licensing ordinance. All bicyclists who are operating unlicensed bicycles will be cited.

A spokesman from the Department said, "Twenty-

five cents is just about the cheapest insurance you can buy."

The violators will be required to respond to the city hall and obtain a license. The failure to comply will result in the initiation of formal court proceedings.

The Police Department also desires to remind bicyclists that the rules of the road for bicycles are the same as for motor vehicles.

1. Like automobiles, bicycles should be ridden on the right-hand side of the roadway. Many parents think a bicyclist should face oncoming traffic. This is a dangerous practice.

2. Hand signals are required before turning. These are the same as those required by motorists.

3. When using a crosswalk, the bicyclist should dismount and rush his bicycle across the street. Riding a bicycle in a crosswalk is forbidden.

4. When riding a bicycle across a street, all right-of-way laws must be obeyed. The bicyclist is not protected by pedestrian laws when mounted upon his bicycle.

5. All stop signs, traffic signals and regulatory devices must be obeyed.

6. When entering a roadway from an alley or a private driveway, the bicycle must yield to all traffic on the roadway.

Bicyclists are again reminded that laws pertaining to safe driving will also be strictly enforced.

## Annual Traffic Survey Conducted In Placentia

The annual county-wide traffic survey was conducted this year at Kraemer and Yorba Linda Boulevards in Placentia. The purpose of this program is to determine traffic trends on a county-wide basis utilizing manual counting procedures.

The counts were completed Sunday and Monday, July 18 and 19 under the direction of Public Works Director Jerry Hendricks. The results of the counts indicate a 29% increase in total traffic on Sunday and a 20% increase in total traffic on Monday over last year's counts on Yorba Linda Boulevard while Kraemer Boulevard traffic decreased approximately 5%.

The counts showed, 12,400 cars this year on Sunday on Yorba Linda Boulevard as

opposed to 9,600 last year. Monday's count showed 16,800 this year and 14,000 last year. Counts on Kraemer Boulevard showed 5,000 on Sunday and 6,000 Monday.

Seventeen Placentia teenagers again this year assisted the Public Works Department in conducting the survey. Among those participating were Carolyn Mooers, Janice Bruno, Debbie Mooney, Julie Haeckman, Sandy Tiner, Celia Castillo, Sandy Antley, Guy Antley, Cathy Michel, Ken Meienberg, Mike Meienberg, Kirby Marshall, Richard Flanagan, Don Gavel, Yvonne Smith, and Vicky Jones, Dennis Michel was the project leader, and much of the success for the number of volunteers for this program is due to Don Brittingham and the Teen Scene.

# Placentia Boys Club Receives Accreditation

John Badger, Boys' Club Executive Director, announced today that the Boys' Club of Placentia, Inc., has been fully accredited by Boys' Clubs of America and is now a Congressionally chartered organization.

In presentation ceremonies on July 14th, President Norman Wiley and Boys' Club founder, Steve Muro, accepted the Congressional charter from Mr. Allison Honor, National Board member of Boys' Clubs of America and Mr. Raymond Bogden, Southern Pacific Regional Director of Boy's Clubs of America. The ceremony took place as an agenda item at the quarterly meeting of the Boys' Clubs Area Council of Orange County at the Dal Rae Restaurant in Fullerton.

The charter was presented at this time because the Boys' Club of Placentia's Board of Directors and staff have shown an ability to build a new facility that will meet the ever demanding standards for full membership in Boys' Clubs of America. The new facility, scheduled for dedication in early 1972, is being built at 132 East Crowther Avenue in Placentia.

Executive Director Badger was obviously pleased at the Boys' Club becoming a full member and losing the provisional status it has had for some time. It is standard for a Boys' Club to have a provisional status during the time it is in the process of constructing its permanent facility.

# Department Requires Permits For Park Use After Curfew

As the warm nights and evenings continue, all Placentia park sites have received outstanding use and increased use during the early evenings and into the late hours.

The recreation and parks department wishes to remind individuals that Placentia City Code states that within the limits of and in certain cases and areas adjacent to any City owned park, no person shall loiter or remain in any public park between the hours of 10:30 p.m. and 5 a.m. of the following day unless written permission to the contrary is granted by the Recreation and Parks Department.

The recreation and parks

department reminds those individuals and groups wishing to camp out in any of the park sites that written permission can be obtained in the form of a permit issued by the department for such use. When permits are issued the police department is notified, thus providing security and safety of the individuals utilizing the park for nights.

The department has received eleven requests with permits granted to groups seeking to conduct night activities at Parque del Arroyo Verde. Citizens are reminded that such requests should be made well in advance in order to be assured of the use of the facility.

## Block Wall And Tree Destroyed In Accident

In a spectacular crash early Sunday morning, a car was wrecked, a block wall fence damaged, and a property owner's tree toppled, but the car's occupants were uninjured.

The car, driven by Mike A. Johnson, 16, 733 Larkspur, Placentia, was west bound on Somerset, and failed to negotiate the left turn onto Kraemer. It barreled into the brick wall and demolished a full section of the wall as well as an established evergreen tree inside the yard.

After the car crashed, the driver and two of his passengers scurried away from the wreck leaving Rosalie Ann Lewis, 31, of 140 W. Orangethorpe. Miss Lewis attempted to convince Placentia officers who arrived on the scene that she was not the driver.

The driver and the other passengers soon returned to the scene, and when they were brought to the

station, young Johnson eventually admitted he was the driver.

The other passengers were Jay Howard Anderson, 15, of 140 W. Orangethorpe, Placentia, and Steve G. Wilkins, 15, of 1720 Kingston, Placentia.

## YL Volunteers Cited For Contributing To Program

The Volunteers of the Yorba Linda Recreation Department are a very vital part of the recreation program. In fact, without these young volunteers the number of activities offered by the city would have to be drastically cut.

Thirty-six teenagers, working without any pay except the satisfaction of serving their community in a positive way, take part in just about every facet of the program. They assist instructors, such as in tiny tots, arts and crafts, sewing and swimming classes; they serve as leaders, such as coaching the teams on the playgrounds, managing Pony-tail softball teams and leading the popular girls clubs; they supervise at movies, dances and at special events; they register participants or answer telephone calls in the office; they distribute flyers, which inform the public of coming activities; when they do innumerable smaller details that aid the program.

Following is a list of the Volunteers who are so indispensable to the recreation program. Walter Abell, Julie Hedges, Peggy Lopez, Cindy Hemphill, Cathy Konitzer, Larry Croghan and Jeff Porter.

Also, Lynne Hooper, Cindy Gross, Suzanne Ready, Caryn Clark, Patti Perich, Dan Granger,

Candee Evans and Tim Lawson.

In addition, there are Dana DeWeese, Lisa Nollette, Ed Starnes, Ray Beamesderfer, Mary Jean Boglino, Sherrie Burmaster and Jill Murrow.

Also included are Leslie Maples, Nick Leinen, Denise Ruiz, Cheryl Dayton, Laurie Dayton, Rose Lopez and Tom Anderson.

Also, there are Steve Alley, Eric Anderson, Mike Machado, Kevin Hampton, Jonnie Crow, Sheila McDonough and Denise Dabelstein.

A series of classes for handicapped and mentally retarded children is continuing at the Fullerton Junior College swimming pool until August 27 under the sponsorship of the Fullerton Recreation Department.

A total of 28 children are participating in the swimming classes being taught by local lifeguards on a one-to-one basis Monday through Thursday from 5 to 6 p.m.

The classes were started by Cindy Segal of Fullerton,

who will be a psychology major at Cal State Fullerton in the fall. She became interested in the problems of the handicapped while studying pre-physical therapy at UCLA.

Cindy Segal, John Doyle and Mike Hilgen work with children during swim lessons sponsored by the Fullerton Recreation Department at Fullerton Junior College.

The booth will be taken to the Los Angeles County Fair in Pomona this fall.

## ED Senior Quad Is Under Construction

Hauling concrete and laying bricks may not appeal to most boys as a good way to spend a summer, but some El Dorado students are doing just that so next year's graduating class will have a senior quad.

So far 11 yards of footings have been poured, 250 feet of steel supports have been put in, and 250 feet of trenches have been dug. Holes have

also been drilled.

"About half the work of the quad is completed. The next big step will be when we lay the bricks," says Mark Casciari, who is heading the project.

According to Casciari, much help will be necessary when the bricks are to be laid. Approximately 2,600 bricks must be laid to form a 30-inch wall surrounding the quad.

Like any project, the construction requires a vast amount of work. So far there has been small response from the senior class, despite appeals for help. All seniors are urged

to contribute their labor to the completion of the quad.

Although most of the work is heavy and is reserved for the boys, girls are asked to bring drinks and encouragement to the site.

Since there is no exact time schedule, students are asked to call either Mark Casciari at 528-7397 or any of the other class officers for details.

Hopefully, all of the bricks will be laid by mid-August. After that step is out of the way, concrete must be poured over the remainder of the quad, and trees will later be planted in planters.

## Random Shots by Jessie Pound

Portrait Proofs—one of the first things ever devised to self-destruct!

With senior portraits just around the corner, there will be a lot of proofs or 'Portrait Prevues' both black and white and color coming out soon.

Here are a few things to remember when you receive yours.

Proofs are not finished prints—they are rough contact prints made on a special type of sensitized paper.

Proofs from a black and white negative are reddish brown and will turn a little darker with every exposure to light. Be sure to keep them out of the sunshine. And don't spread them out on the table for Mom to see two or three hours later.

If they do turn dark, don't panic. If you know the letter on the one you want, that is all we need. We can easily make new ones from the original negatives.

Proofs from color negatives are also rough prints. They are in color and will not turn dark when exposed to light. They must be returned to the studio when you make your order.

Take care not to lose them because they are not so easily replaced and you will be charged for them.

Choose the proof you like best on the basis of POSE and EXPRESSION only.

Shadows under the eyes, blemishes, etc., are routinely removed on the negative itself by retouching. Hair can be smoothed and eyelashes accented on black and white negatives only.

Spotting or print retouching is done on the finished print. We remove white spots, soften hilites and smooth hair by hand using a small brush.

A good retoucher and someone with a steady hand on the spotting brush are essential in creating fine quality portraits.

## Suspect In Advertising Swindle Is Arrested

A man who bilked several merchants in Placentia, Yorba Linda and Fullerton of small amounts of money posing as the advertising representative of a local newspaper, was apprehended this week by Placentia detectives.

Ralph William Voorhees (he also had three aliases) called the shop owners by phone falsely representing the paper and solicited advertising. The unsuspecting merchants agreed to an interview, and at the conclusion of the interview, would give Voorhees a check, made out to the paper, for around \$30 or the advertising.

He was somehow able to cash the checks, and keep the money, but the ads never appeared in the paper. Suspicious merchants eventually contacted the paper, discovered they had been bilked, and police were notified.

Businesses reporting losses in the incident include Posey's Poodle Parlor,

Gina's Pizza, both in Placentia, Pilato's Bakery, Dee Dee's Duds, and Knowlwood Enterprises in Yorba Linda, and House of Fashions in Fullerton.

The incidents occurred early this year, according to Placentia Police.

## Bradford's Return From Vacation

Mr. and Mrs. William Bradford of 616 N. Ladera Vista Ave., Fullerton, returned Saturday from a vacation week spent at Huntington Lake, where they enjoyed boating, touring Big Creek and visiting the Edison facility.

They especially liked the chairlift to China Lake. Mr. Bradford returned to his position at Union Oil Research Center, and Mrs. Bradford to her post as administrative secretary in Placentia City Hall.

## Bridal Shower Held For Miss Kathy Rapp

Miss Kathy Rapp, daughter of Mr. and Mrs. Dean Rapp, 127 Wilson, Placentia, was honored recently at a wedding shower given for her by Mrs. Jeanne Burlingame, 1395 Tartan Circle, Placentia and by Mrs. Phyllis Sheve of Orange. The shower, which was given in the Burlingame home was attended by the wedding staff and their brides of Riverdale School, in Orange.

An umbrella table, which had been decorated with flowers and streamers held the gifts for the honored guest. Approximately 25 guests were in attendance and along with their shower gift, each had included a kitchen utensil and a spice.

The dining table was entered with aqua tinted

daisies with yellow centers, carrying the color theme the forthcoming bride has chosen for her wedding.

Lime punch was served, nuts and mints in pastel colors and highlighting the beautifully decorated table was a large cake in white, yellow and aqua with the inscription "Happiness Is—Kathy and Jerry".

Among the beautiful gifts was an oil painting, had done in autumn shades by Linda Weatherill, a senior at Orange High School who has worked very closely with Miss Rapp as her aide in teaching the TMR children at Riverdale School.

In addition to the teachers and their aides invited guests included Mrs. Dean Rapp, daughters Karen and Karrie and Mrs. Clarence Simpson.

Admiring one of the entries in the Placentia Doll Show held last Saturday are, from left, Collector Jean Miller and hostesses Julie Ruppert of Girl Scout Troop 774 and Gail McKindley of Senior Troop 1120.

## Local Residents Will Attend Foundation Class

Area residents will be in attendance at Freedom Foundation's "Preservation of Principles of Freedom," being held from August 2 through 20 at Valley Forge, Pennsylvania.

Miss Valerie Herstine, a resident of Placentia, now teaching at Costa Mesa, also attending sessions at UC Irvine and Lewis S. Barrett, journalism instructor at Fullerton Junior College, are recipients of the

scholarship funds from the Foundation.

Two other teachers, with grants from other groups to be present there are Mrs. Jane Keller, teacher of fifth grade at Morse school and Michael Ledbetter, teacher of American History at El Dorado High School. Mrs. Keller resides in Fullerton, while Ledbetter is a resident of Brea. The latter was a recipient of a Fulbright scholarship and visited Africa last summer.

## Annual Doll Show Is Held In Placentia

Young and old alike attended the first Annual Doll Festival of Placentia on Saturday, July 24, at the Backs Community Building in Placentia. Sponsored by Placentia Junior Round Table, hundreds of dolls were displayed for judging in 12 categories within junior and senior divisions.

Included among the displays were many antique dolls ranging from life-sized to no bigger than a fingertip. Felt and papier-mache dolls, as well as wooden dolls were on view.

## Brannons Thank Police For Watching

"Mrs. Brannon and myself," stated Joe Brannon of Ruby Drive, Placentia, "wish to thank the Placentia Police Department for their looking after our home while we were on a three week vacation."

Brannon continued that in his opinion the Placentia Police are tops, and their plan for looking after person's property when they are on vacation is outstandingly fine.

Mr. and Mrs. Brannon spent three weeks visiting relatives and friends in Texas, Louisiana, Oklahoma, and Arkansas. In the latter state they were guests of their son William Carl Brannon and his wife Dale at Coddridge.

Authentic costumes, many handmade, adorned several "period" dolls and famous personality dolls. China dolls were also among the displays as well as rag dolls. Old dolls dating from the 1700's right up to the modern teenage dolls were included.

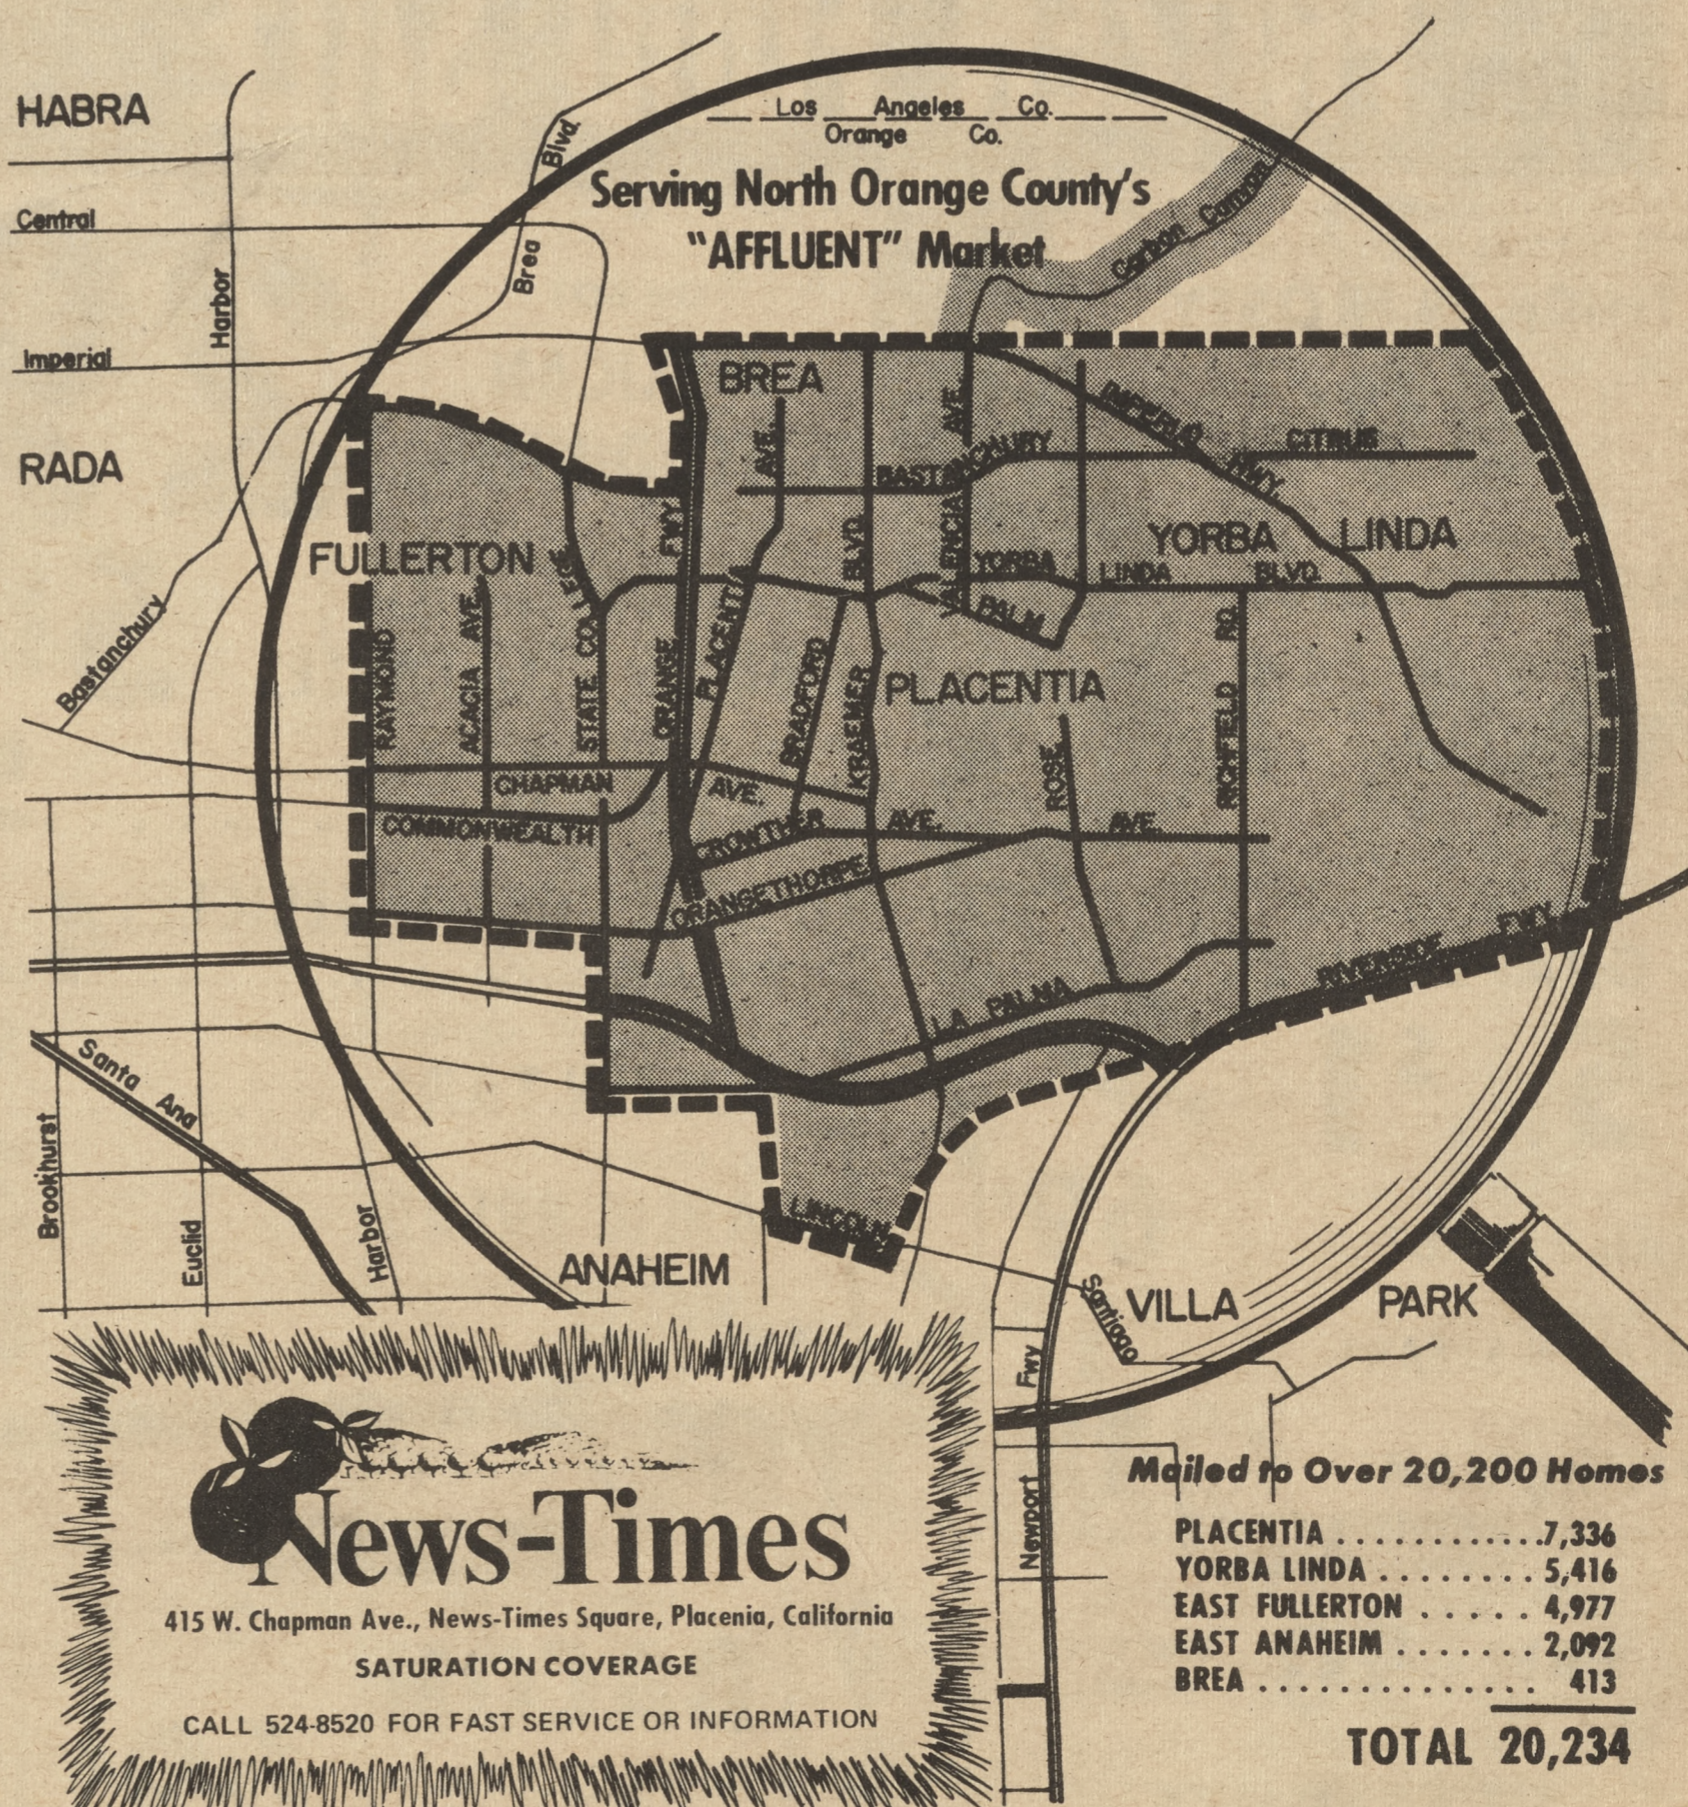

Handbeaded gold crowns were awarded to junior and senior division queen dolls with silver crowns given to the division princess dolls. Junior queen doll was displayed by Diane Schmidt. Senior queen doll is owned by Mrs. Ann Dunlevy. Princess dolls belonged to Amy Marie Davis and Mrs. George (Leah) Ramos.

Certificates were awarded the winning dolls in all categories of the two divisions. A special recognition award was given to Kristen Brosius, local 12-year-old girl, who displayed her doll collection.

Chuck Nickerson, a third year varsity speaker and debator, attended the annual Loyola Forensics Institute with nearly 100 other students from all over the United States.

While at the institute, Nickerson participated in a series of practice debates during next year's high school topic, "Resolved: That the jury system in the United States should be significantly changed." He is taught by forensics experts and constructed a case with their aid.

Attending the final rounds of the debate institute to gain some background on the topic were Ken Perkins, an McLoon, Kevin Howard, Dave Shelley, John

Herbert, and Valencia speech coach John DeNike.

During the month of August, Coach DeNike, Perkins, and McLoon will be at the University of Oregon's debate camp for two weeks. DeNike will attend an instructor seminar.

The Jolly Knight is an unusual restaurant at 8666 Garden Grove Blvd., Garden Grove. Owned by Edward Ansell and his petite wife Lili, both of whom were born in London, the Knight is a bit of jolly England set down in the

northwestern corner of Orange County.

When the Ansell's first opened the Knight in 1958, it was a modest but jolly place with seating for thirty people. Now it's a spacious place, with seating in the dining and banquet rooms for over four hundred. The key to its phenomenal success is imagination.

Edward and Lili Ansell are lively people with quick fertile brains and a flair for good living. To help others enjoy a good life, they have given their restaurant an imaginative merry England atmosphere and a menu which stresses imaginative fare.

The menu prices are moderate. Pan Fried Chicken simmered in wine is \$3.50. Such sea food

choices as eastern scallops, jumbo shrimp, and Catalina swordfish are \$3.95. The house specialty and most popular item is the steak and lobster combination \$6.50. All include chilled relishes, soup or salad and hot garlic toast.

The Knight is open every day. It is located a few blocks east of the Highway 39 off ramp from the Garden Grove Frwy.

## YL All-Stars Trek To La Habra After Wins

The Yorba Linda Little League All-star team is still on the road to Williamsport after last week's victories over Murphy Ranch and West Fullerton.

The team defeated Murphy Ranch 2-0 on Brent Goettsche's bases-loaded two-bagger and on strong pitching by Dan Petry with relief help from Jordy Yerian.

In the West Fullerton game won by Yorba Linda 5-3, it was Goettsche who again delivered the big blow with a first inning grand

slam. Mark Marshburn did some fine clutch pitching by striking out the last five batters to end the game.

Yorba Linda plays again Friday at 5:30 at the La Habra Little League field.

## Scouts Will Visit Japan For Jamboree

Two Yorba Linda scouts are attending the Boy Scout World Jamboree in Japan this summer.

The boys are Brad Gallagher and Garrett Hard for Troop 799. They earned most of the money for the trip themselves, with the balance coming from parents and the troop.

The boys are among the 7800 American Scouts attending the nine-day conference.

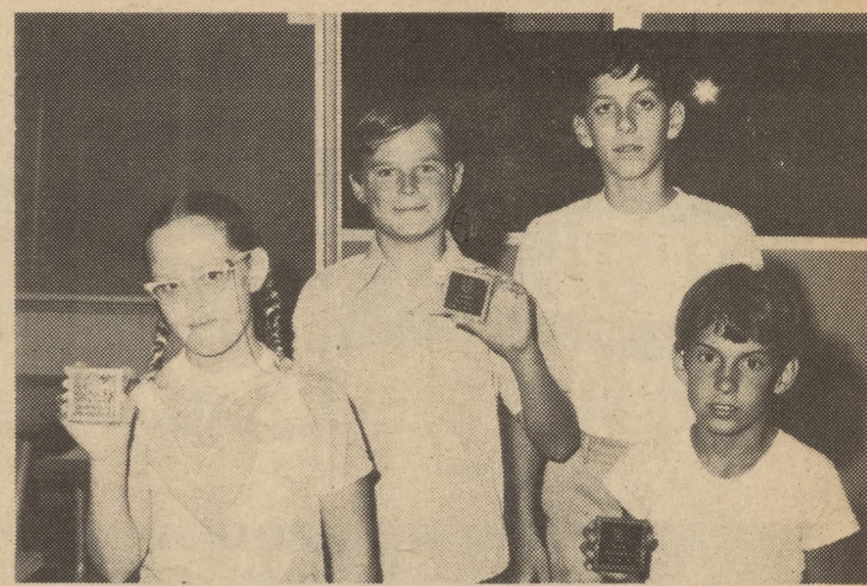

## Chargers Lose First To Anaheim

Hampered by five errors, the Placentia Chargers were unable to muster a rally against the "AA" Anaheim Stars and lost 4-0 in a night game at Pearson Park for their first defeat.

Shortstop Terry Nelson and centerfielder Marita Royere made some spectacular fielding plays; however, and also accounted for two of the Chargers four hits.

Scorekeeper Barbara Laguna had 4 runs on 6 hits with 1 error for the Stars, and no runs on 4 hits with 5 errors for the home team.

The losing pitcher was Tammy Gibson with victory honors going to Linda Schupin of the Stars.

Winners of the Placentia Recreation Department's All-City Checkers Tournament, held at Sierra Vista Playground are shown here from the left: Letty Olcantar, 10 and under; Steve Smallwood, 11-13; Dan Maynihan, open; and Rich Wunderlich, 10 and under.

Derek Taylor, Van Buren Playground, sprints past his competition in one of the Placentia Recreation Department's Olympic Development Track Meets. Derek, 10, is a top prospect in the sprints, with a best time of 6.2 seconds in the 50 yard dash.

## Checkers Champions, Ball Winners Named

The Placentia Recreation Department announced its All-City Champions in checkers and "Play Ball With The Dodgers" competitions.

The checkers tournament, held at Sierra Vista Playground, saw Dan Maynihan, of Morse, taking top honors in the open division. Dan won all his games to top runner-up Reggie Ray of Koch Park. In the boys, 10 and under division, Rich Wunderlich, of Koch Park, withstood the

challenge of Eric Dirhan of Sierra Vista to win. Steve Smallwood, of Sierra Vista, took top honors in the boys 11-13 age group, with Ernie Wade named second.

Letty Alcantar, of Orchard, and Kathy Kowalski, of Sierra Vista, were winners in the 10 and under and 11-13 age groups respectively. Vivian Lawson, of Koch Park, and Barbara Moll, of Sierra Vista, took runners-up honors.

The "Play Ball With The Dodgers," held at Tuffree Park, competition named 3 winners who will now compete in regional competition in Fullerton on Saturday, July 31.

Each participant received a certificate with the winners and runners-up receiving gold and silver medals. Steve Goffin defeated runner-up Tris Jacobs in the 9 to 10 years of age group. The 11 to 12 group winners were Frank Martinez, with Kelley Phillips trailing close. Jim Hayek defeated Kevin Heenan for top honors in the 13 to 14 group.

## VHS Defeats ED By One In Summer League

Valencia #1 stayed in second place by one point last week, in summer basketball, after beating third place El Dorado #2, 61-60.

Coach Bob Hamblin's squad took a 27-23 first half lead with Richard Hernandez and Robert Zamora leading the way. The Hawks came back in the third quarter when Gary Burnett got hot and a full court press shook up the Tigers.

With 24 seconds left in the game El Dorado had the lead and the ball but lost both when Craig Caldwell was fouled after a steal. Caldwell made both free throws to put the Tigers ahead for good. For VHS, Hightower and Zamora ended the game with 13 apiece. Burnett had 22 and Mike Farra 13.

In other Monday night action, El Dorado #1 lost to Sunny Hills 58-45. Jeff Van

Winkle had 19 as Bruce Osterstrom had 11.

Young people of all ages will have the opportunity to go camping through a program being sponsored by the First Baptist Church of Placentia in cooperation with the Southwestern Baptist Conference.

Emphasis will be on sports, horseback riding, and craft activities as well as bible classes.

The camping trip for high school youth will take place August 8 through 14 at Lake

Forest Home Indian Village in San Bernardino will be the site of the August 22 through 28 camping trip for children of elementary and junior high level.

## Lecture Series Offered By Church of Christ

A series of lessons and discussions on the theme of doing personal work will be offered at the Church of Christ in Fullerton each evening at 7:30, from August 1 to 7.

John Koffman and Clyde Goff, both of San Diego, will outline the procedures and knowledge necessary to fulfill one's individual responsibility of sharing the Gospel.

The meetings are not limited to congregation members. "Anyone who could benefit from this type of study is welcome to attend," said Amick.
